Product Specification

Article No.	M3025	Description	2-METHYLTHIO-(3 OR 6)-METHYLPYRAZINE			
US Code.	4501330251.00	Synonym				
Empirical Formula	C6 H8 N2 S	Molecular weight	140	Flash Point	73	C
Specification Date	25/02/2013					

Test	Specification		
Assay (Mixed Isomers)	99.000	-	100.000 %
Refractive Index (20C)	1.570	-	1.590
Water Content (KF)	0.000	-	0.500 %
Specific Gravity (25/25)	1.133	-	1.153
	Colourless / Pale Yellow Liquid		

Copies of the analytical test methods used to determine the above specification parameters are available upon request from the contact details above or via e-mail from rprice@uk.frutarom.com
